PALOMA

Because of a lack of time, imagination & funds, the rest of this book will be different from the first part.

So, go!

Simply wonderful

Please pause for a moment of silence in memory of the only funeral held on the hall.

FLASH BACKS

Remember when . . .

Loveliest women of Paloma:

Never in my nineteen times four seasons of existence in this less than perfect world have i been so sincerely and flatteringly surprised as i was this afternoon when i found my door adorned with a birthday greeting from you Aphrodites of Graceland College.

I consider myself extremely fortunate to be tided "Happy Birthday" from such an enticing and coquettish group of ladies. Again, thank-you so much for your gesture which literally made my day.

Love,

Erik Simon

1987 mens and womens' cross country team.

Hard work pays off for CC runners

by Jeff Burchfield
Sports Editor

Graceland's men's and women's cross-country teams both got their respective seasons underway with a meet at Park College last Saturday, September 12. The teams found the course both extremely hilly and very challenging but still managed to turn in some excellent times and places.

The men's team ended up finishing fourth out of the strong eight-team field with Tarkio, Mid-America Nazarene, and the University of Missouri at Kansas-City finishing just ahead of them. Graceland relied on the strength of their top five finishers in order to garner the points for their strong placing.

Junior Jeff Burchfield led the way for Graceland. Burchfield covered the 3.2 mile course in 16 minutes, 45 seconds which was good enough for thirteenth place. Freshman Jeremiah Jones was the second runner for Graceland as he finished twentieth in 17:09. Travis Porter, Pat Weaver, and Tim Strait were the other three runners who counted toward team points. They finished 22nd, 23rd, and 27th, respectively.

The next five Graceland runners came across fairly close and finished between 17:44 and 18:08. Those five runners were James Hewitt, Doug Farrand, Rob Wilson, Mike Hiatt, and Jon Purcell. The squad as a whole averaged 17:45 for the rugged course, which is much improved from last year.

Freshman Robin Williston led the way for the lady Jackets. Williston managed to cover the distance in 23:41 which was good for fifteenth place. Complimenting Robin's fine run were Christy Worlund, Tonya Mallo, Shannon McKee, and Kris Dahl who finished 20th, 22nd, 23rd, and 24th, respectively. Starting the course but unable to finish was Karen Cash, who was forced to stop half-way because of difficulties due to an illness. The women's squad was also without freshman Ann Scagliione, who too was out with an illness. Despite this, the women were still able to run very competitively, finishing third out of eight teams. The entire team ran extremely well and were awarded race T-Shirts for their efforts.

Because of their efforts in the race, Jeff Burchfield and Robin Williston were awarded MVP's of the week by head coach Terry Yee. Yee also awarded Jon Purcell and Shannon Mckee "Newcomers to Cross-Country" awards for their outstanding performances in their initial cross-country outings.

Coach Yee added, "I was very proud of both the women's and men's teams. We proved that Graceland's cross-country program is going to be very strong. The unity and support by all was really outstanding. We are right on schedule for a great year." Next action for the cross-country teams is this Saturday as they travel to Mid-America Nazarene college fo another extremely challenging

Fall student blood drive a success

By Larkin Powell
Feature Editor

The results are in for the Fall Blood Drive, and according to Melissa Horton, co-chairperson of the Senate Committee for Student Rights and Welfare, Gracelanders can be proud of themselves. In total, 178 units of blood were given, and 248 people tried to give.

Both guys' and girls' houses competed for a $25 prize, which went to the houses with the highest percentage of donors. The final results are as follows:

Sariah	95%	Aaron	74%
Paloma	74%	Cheville	71%
Shalom	43%	Faunce	44%
Leilani	37%	Closson	40%
Amici	31%	Orion	36%
Solah	29%	Agape	28%
Aponovi	24%	St. Manor	7%
		Shaddai	7%

Horton commented, "We were pleased that so many people took time to give to such a worthwhile cause. We're also pleased with the friendly house rivalries that helped our totals increase.

...Dennis Shields, a 1977 Grace- ...ence this with us.

Despite low attendance, these four masked marauders made the best of the French Club's Mardis Gras Party at Choices.
